MEMORANDUM TO FILE

TO: File

FROM: Amy J. Porter, Public Utility Analyst

Manager CC: Jennifer Coleman, Regulatory Manager

SUBJECT: In the Matter of Palmco Power DE, LLC for A Name Change d/b/a Indra Energy (Submitted July 5, 2018) – Original PSC Docket No. 16-0929

On July 5, 2018, Palmco Power DE, LLC¹ (“Perigee Energy” or the “Company”) submitted a request to the Delaware Public Service Commission (“Commission”) to change its name to Indra Energy (“Indra Energy”).

In the application in the instant docket, Palmco Power DE, LLC is requesting the name change to be effective immediately. Included in the application was documentation from the Delaware Secretary of State and the Delaware Division of Revenue that Indra Energy is legally authorized and qualified to do business in the State of Delaware.

The Company provided the notification that will be sent to Customers in accordance with 26 *Del. Admin. C.* §3001 (the “Supplier Rules”).² The Company provided its Contract Summary and Terms of Service for Residential and Small Commercial Customers for Staff review. The documents complied with the Supplier Rules. It does not appear that the requested name change will affect Electric Supply Service to any Delaware Customers.

The Company’s request for a name change appears to be reasonable and meets the requirements of Supplier Rules. Staff, therefore, recommends the Commission recognize the name change of Palmco Power DE, LLC to d/b/a Indra Energy effective immediately.

¹ An Electric Supplier Certificate was issued to Palmco Power DE, LLC Order No. 9023 on February 23, 2017 in PSC Docket No. 16-0929.

² Unless otherwise noted, all references to capitalized terms are set forth in the Supplier Rules.
